\$ 995,000

6 Bedrooms . 6 Bathrooms

You can get everything you want . . . and, more! Custom full brick home completely renewed with gorgeous kitchen that will wet the palate of your inner chef because it is just as professionally functional as it is beautiful. Classic traditional exterior that transcends time and embraces a new life the moment you enter the foyer with new current colors, textures and decor that could easily be found in the pages of Architecture Digest and Traditional Home with an open flow that invites real family living in the most casual of lifestyles. With an outdoor area that lives as big as its seamless open flow inside from expansive keeping room and kitchen to its main family room.
