Beautiful renovated home with 4 bed rooms and 3 full baths. As you step in the foyer, you will feel the sense of home. Stroll into the kitchen area and you will love the openness that rolls over the bar to the great room with fireplace and the dining room. Lots of natural light, grab that cup of coffee and make your way out to the three level deck and enjoy a very private backyard. Upper level has three bedrooms and 2 full baths. Head downstairs to another bedroom, full bath, recreation room with pool table (included) fireplace and built in cabinets , craft room and what once was a dark room for photography. Tons of storage everywhere you look. Room to roam in this lovely house for sure! So much to see, make this your next home!
