Welcome to 367 Magnolia Place! A picture perfect front porch ushers you to the front door of this six bedroom beauty. Inside, a large, open living area boasts beautiful hardwood floors and a stacked stone fireplace. The open floor plan continues into the meticulously updated kitchen, which boasts granite countertops, a central island with bar seating and storage, and stainless steel appliances. Adjacent to the kitchen, the spacious dining area is the perfect place for family and friends to gather. You will also find the Master Suite on the main level, which offers a full, private bathroom with two sinks, a soaking tub, and a shower. Two additional bedrooms, each with their own closets, a full bathroom, and a large laundry room complete the main level. Up the stairs, a large loft area creates the perfect space for a second living area or playroom. Two additional bedrooms are also found upstairs, just steps away from a fully plumbed, but unfinished full bathroom. The sixth and final bedroom can be found in the spacious basement, boasting its own half bathroom. An exercise area, a recreation area, a workshop, and multiple storage spaces are also located in the basement, in addition to the two car garage. Outside, a beautiful backporch overlooks the large, in-ground swimming pool and backyard. You do NOT want to...
