Pride of ownership and ready to move in condition. From the front porch swing to the back screened in porch, you will want this home to be yours. When you drive up and see the manicured front lawn and landscaping, you know the inside looks just as good. 3 bedroom, 2.5 baths, formal dining room, living room and den, breakfast area with the kitchen, (which has a work island), large two car garage main level, upstairs you have the master suite and master bath, 2 additional bedrooms and 2nd full bath, one bedroom has bunny rabbit mural painted on the walls, great for small children, did I mention a basement?, unfinished and great for storage, double door entry/exit from the basement to the outside, continue on to the backyard and the landscaping doesn't stop.
