Acreage This exquisite, one level home has all the most desirable features of quality mid century architecture as well as the modern upgrades. Original to the home are the solid doors, vintage knobs, one inch oak flooring, cedar lined closets and charming built-ins. Modern amenities include an updated kitchen, elegantly designed master suite, geothermal heating and cooling, extensive landscaping and outdoor living space. Large windows let in abundant light and open the home to the mature gardens and green views from every room. Three doors at the back of the house lead to multiple decks, patios and paths throughout the grounds virtually doubling the living and entertaining space of this home. The acreage adds total privacy and tranquility to a very desirable and convenient location
