3 Bedrooms .1 Bathroom .1,150 Sqft

1950's never looked so good. This 3 bedroom home has been **COMPLETELY RENOVATED**. Kitchen boasts of new stainless appliances, granite countertops, tiled floors with tiled backsplash. Glistening hardwoods are throughout the house. Renovated bathrooms have the latest and greatest tile with new toilet and vanity/sink. The roof and gutters are approximately 2-3 years old. The house has been freshly painted inside and out. Did I mention this home is 10 minutes from Northgate Mall/shopping/medical facilities/eateries and 15 minutes to downtown/N Chattanooga? If you enjoy drinking your morning coffee on your screen porch, you will LOVE the oversized screen porch. Additional storage is a bonus in the 10X10 shed.
