Gorgeous 3 bedroom, 2.5 bath brick and Hardy home in the Ridges section of the desirable Black Creek golf course community. Amenities abound in this established neighborhood just minutes from downtown Chattanooga, including lovely community ponds, sidewalks, a dog park, sports fields, picnic area and varying levels of memberships at the Black Creek Club. The home has curb appeal galore, and you will love the beautiful finishes, open floor plan, master on the main and huge bonus room. Your tour of the interior begins with the lovely foyer that opens to the formal dining room. An adjoining butler's pantry leads to the heart of the home which is the kitchen, breakfast and great room that also has access to the rear covered deck, providing a great flow for gathering or entertaining. The kitchen has granite countertops and subway tile backsplash, a center island with pendant lighting and a stainless farm sink, stainless Bosch appliances, including a 5 burner gas range with convection oven and warming drawer, as well as a built-in microwave and dishwasher. A nice pantry is just across from the butler's pantry. The great room has a gas fireplace with subway tile surround. There is a powder room in the entry hall, and a mudroom area with built-ins in the hall to the master, laundry and garage access....
