Timeless elegance is just that - and - it speaks for itself. This Fox Run custom home is a shining example of thoughtful planning and loving care. Classic rocking chair front porch (check out the flagstone flooring) cheerfully greets you upon entering. The arched doorway details add a classic feel to the formal dining space. Very open plan flows easily into the vaulted ceiling great room. Your eye is led around the room from the wall of windows to the built in cabinetry surrounding the floor to ceiling stacked stone fireplace. Cook's kitchen boasts cherry cabinetry, unique granite countertops, tile backsplash, stainless appliances including double oven and decorative range hood. ***New carpet has been installed and fresh paint in bedrooms***
