Absolutely stunning, 3 bedroom, 2.5 bath home with expansion potential in The Ridges section of the Black Creek Mountain golf course community, approximately 10 minutes from downtown Chattanooga. Low maintenance Hardy and brick exterior lends enormous curb appeal to this home that was completed in 2016. You will love the interior attention to detail, especially the beautiful hardwoods, lovely moldings, recessed and decorative lighting, kitchen and closet organizer systems, granite countertops and fantastic open floor plan with the master on the main. You enter the home from the covered front porch where you will find a lovely foyer with access to the kitchen area straight ahead or the dining room to the right that also opens to the kitchen and then the great room and screened porch beyond. The kitchen was well designed with a great center island with seating and storage, as well as the stainless farm sink and overhead pendant lighting. you will also find custom cabinetry with soft-close drawers, tile backsplash, under-cabinet lighting, 2 pantries and access to the staircase. The great room has a gas fireplace and access to the screened porch, as well as the hallway/mudroom leading to the laundry and powder rooms, the 2 bay garage and the master suite. The master bedroom also has access...
