Welcome home to highly-sought after Reunion! This Charleston-style home will offer your family all the room it needs and more. Walk inside to beautiful hardwood floors. The main floor features open concept living space with two-story vaulted ceiling, gas fireplace and built in bookcases. New carpet in the living room and master bedroom. Plantation blinds throughout. The chef's kitchen has two convection ovens, high-end stainless steel appliances, gas stove, abundant cabinet space, and an eat in kitchen. Master Suite has a large bathroom with separate vanities, rain shower and walk-in closet that is tucked away on the main for your privacy. You will also find a formal dining room, a half bath, and the laundry room on the first floor for your convenience. Spend time with your family and friends on the private deck with a natural gas hookup for your grill. Upstairs you will find three large bedrooms, a full bath, and walk-out attic. The day-light walk out basement features the same quality finishes as the rest of the home with plenty of light. Downstairs you will find another large family room with an attached wet bar, an exercise room, storage room and utility garage, and a walk-out patio. A second ensuite would make the perfect in-law or teen suite. This home is wired as a Smart Home and has security and irrigation...
