Looking for an open floor-plan with efficient use of space? Need a Master on the main floor, and a great level yard? Looking for custom touches throughout the home; granite, crown molding, hardwood, and tile, and upper-end cabinets? This home has it all! A large kitchen is at the heart of this home. It adjoins the cozy great room, with a gas fireplace and soaring vaulted ceiling. The 3 bedrooms upstairs are paired with a generous full bath. Home is located in a very convenient Ooltewah location, just minutes from shopping and the interstate. Yet it sits inside a quaint neighborhood, for peace and quiet once you're home. A smaller, low-maintenance back yard gives you a place to grill out and relax. Convenient attic storage, plus a walk-out for all those Christmas trees! Or this expansion space/storage could be finished and used as a bonus room. This home is immaculate, and the exterior is extremely low-maintenance for years to come. Underground utilities plus sewer means no worries about the outside of the home. Less than 3 years old, this home offers so much more than any new construction. Take advantage of the perfect layout and all the extras this custom home offers. All this and low county taxes! Schedule your personal tour today!
