Don't miss seeing this spacious, updated home in an ultra-convenient East Brainerd location. A few years ago this home was completely updated and was just freshly painted. Real hardwood floors run throughout the main levels, engineered wood on the lower level with ceramic tile in the baths. Check out the covered front porch, huge room sizes and, on the main level, the living room, dining room, eat-in kitchen and 2-car garage with a workshop. A couple of steps up are the master suite with an ensuite bath, two additional bedrooms and a hall bath. A couple of steps down are a bedroom, recreation room, full bath, huge den with a wood burning fireplace, and a screen porch. Part of the back yard is fenced. This home has YOUR name on it; make an appointment to visit today.
