The Shenandoah is built in the European Manor Style and hosts 4 bedrooms and 3.5 baths. Whether entertaining or enjoying family and friends, the open floor plan is the ideal plan! An oversized kitchen enjoys granite countertops, gas range and stainless appliances. On-site hardwoods, generous crown molding and intricate iron stairway spindles compliments this beautiful European Manor Style home. There's a dedicated office on the main level. An expansive bonus room is the perfect compliment upstairs for family enjoyment. Plan to be WOWED with the storage space!! Actually, the storage space could possibly be considered as expansion space. Did I mention this Shenandoah home is situated on a beautifully level lot and has a 3 car garage? Summers just got a whole lot better with a community pool in this premier golf community. Hampton Cove is not just a neighborhood, IT'S A LIFESTYLE!!
