A short walk to everything happening in downtown Chattanooga and Northshore. Open floor plan with newly refinished hardwood floors, fresh paint, new carpet and lots of sunlight through the plantation blinds and accented with crown molding. This custom kitchen is a cooks dream. The cabinets are custom made with an antique brushed rub and clear glass decorative panels and are designed with upgraded Thermador appliances. Dark granite countertops with a stone back splash and has a built-in coffee maker and a large island make this a great space to entertain. Three bedrooms and baths with ample storage space round out this home. The lower level features a 1 car garage with off street parking for two additional vehicles.
