North Chattanooga home atop 5+ wooded acres. A rare find - just waiting for new owners! As you enter the double front doors with leaded glass, you will step onto the lovely marble flooring in the two story spacious foyer with dentil moulding. The grand curved staircase leads up to the second floor bedroom area. The main floor features a large living room with marble surrounded gas log fireplace, hardwood flooring, and lots of windows overlooking the pool and tree-lined lawn. An oversized dining room has marble flooring and a wall of bay windows overlooking the inviting pool and patio garden area. For less formal dining you will appreciate the spacious breakfast room with hardwood flooring. Don't let this one slip away! It features a wonderful built-in buffet with cabinetry below which is a bonus when serving. Double doors lead out to the patio with pergola adjoining the oversized pool. The kitchen has granite counters, hardwood flooring, cherry cabinetry, triple sink with instant hot water, an island work area, trash compactor, brand new built-in wall oven and microwave and side by side refrigerator. Pass through windows to breakfast room and family room make entertaining a pleasure. The large family room features custom leaded glass window panels on the pass through and a gas log fireplace....
