Check out an incredible home in Gentry Square, less than 2 miles from Graysville and East Brainerd Roads. Built in 2011 and just repainted inside, this welcoming home provides an open floor plan, hardwood floors, granite in the kitchen, built-ins in the great room, a screen porch, a private fenced back yard, master suite on the main level, a big laundry room, a two-car garage, and a powder room - all on the main level. Upstairs are three bedrooms and two bathrooms (one bedroom could be a bonus room with a walk-in closet and walk-out attic storage). Amenities include hardwood stairs, central vacuum, two heat and air units, ample closet space, recessed lights, plantation blinds, and a cul-de-sac location. All appliances in the kitchen remain. This is a great house waiting for you!
