Photos from 3/11 This beautiful craftsman style home features the popular open floorplan with a vaulted ceiling in the living space. The stacked stone gas fireplace and built in wall unit are a great focal point in this area, as are all of the windows for natural light! The kitchen will feature custom cabinetry, stainless appliances, granite countertops and a large island. The Master on the main has a large spa like bath with dual sinks, a soaking tub, and a large tiled shower. Upstairs you will find 2 bedrooms, a full bath, and a bonus that can be used as a very large 4th bedroom. Located in the popular Prairie Pass subdivision, zoned for Apison/East Hamilton Schools, the community offers a Clubhouse, swimming pool, sidewalks and street lights.
