Great newer home with huge detached garage in North Chattanooga! Walking distance to Normal Park Elementary! This great 2 story home features master on main with 2 bedrooms and a loft upstairs, and basement downstairs with den and huge laundry/workshop/storage area! The main level includes hardwood floors, a custom kitchen, and bright living room. There's a rocking chair front porch and covered, private back porch. The detached garage is spacious enough for 2 large vehicles and more! A raised garden bed is behind the garage and there's enough room to park an RV. This is an unusually large lot for the area with plenty of off street parking.
