Come home to serenity! Rarely do you find a home of this caliber 5 minutes to downtown with 1/2 acre + lot. Painstakingly renovated to perfection! Enjoy the new kitchen with loads of gray cabinetry, subway tile, granite countertops, and sunny windows! The stylish casual dining room is generous in size and offers a wonderful space for comfortable dining. The master is on the main with a built-in closet and a wonderful bath with exquisite tile work. The subdued color scheme throughout lends a calming effect. And then what a surprise...a basement with an amazing media room!! This home just has it all... Enjoy the lazy days of summer on the wonderful front porch or perhaps the hobby room over the garage which would make a wonderful artist studio!
