Welcome to 3443 Hawks Creek Dr. This home has just been about been completed and the only thing that is stopping it from being complete is your family. The exterior of the home will be stone, brick and Hardi Siding. Easy maintenance perfect for the family on the go. The home features 4 bedrooms, 2.5 baths with 2650 square feet of living space. Once inside the home, you will be greeted with gleaming hardwood floors, wainscoting, designer colors, beautiful all-white kitchen cabinets with your island being accented in a soft gray color. The granite countertops are a beautiful swirl of gray and white granite. Your master is on the main level. Your master bath is going to be your very own retreat. You can enjoy your soaking tub after a long day. You have 3 additional bedrooms on the 2nd level. You can always make one of the bedrooms a bonus room if that works for your family.Â Your backyard has a retaining wall that makes your backyard for private for all those backyard parties that you will be having. You are located directly across the street from the pool so you don't even need to load the car up. Put the kids and cooler in a wagon and away you go. Hawks Landing also has a clubhouse so if you need more room for family gathering or birthday parties you won't have far to go.Â
