OPEN HOUSE SUNDAY MAY 5th 2-4. Private showings start Monday, May 6th. If great location with a scenic view is what you are looking for then you must see this vintage 1963 rancher in Stewart Heights. Situated on a large lot, the home features original hardwood floors, spacious bedrooms, family room with mountain stone fireplace, large multi-purpose downstairs space that could be for teens, second family room or parents retreat. The outdoor living spaces include screened wrap around back porch and a mountain stone patio, both with year round views of the mountains. Another bonus you will find is the 3 car plus attached garage and a work room with custom shelving. This is one of the few homes that are included in the Stewart Heights plat but are situated in Red Bank. Don't miss your chance to be part of The Red Bank Renaissance and find your own Home Sweet Home.
