The Hanover is one of Waters-Holland's most popular floor plan with generously sized rooms and an open living layout. Covered front porch and welcoming entry foyer. A formal dining room could also double as an office or den. The kitchen, informal dining and great room are combined. Kitchen features include custom cabinetry, large work island, stainless appliances and granite countertops. The great room will include a decorative ceiling and gas log fireplace with custom mantel. On the main level and tucked away from the living area is the Master Suite - spacious bedroom, large walk-in closet and generous bath with soaking tub and tiled shower. Upstairs is an open loft, two bedrooms and full bath with direct access to one bedroom. A finished bonus room is perfect for use as an extra bedroom, home theater or rec room. One popular feature of the Hanover is the covered back porch tucked under roof to provide comfort and privacy. Finishes will include extensive hardwoods and generous moldings and trim. Oakhaven Fields will include a community pool and park!
