Welcome to 4869 Lone Hill Road. This 3-bed, 2,800 square foot home tucked away off Highway 58 has been entirely remodeled including the new kitchen with granite countertops, tile backsplash, stainless steel appliances; 2.5 fully-renovated bathrooms with gorgeous tile work; new flooring throughout (stunning hardwood and tile), and much more. This home is an entertainer's dream. The open flow creates several areas for hosting: the large living rooms upstairs, the fully finished basement, French doors open to the large deck or patio, and the private, flat backyard. Relax in front of either mountain stone fireplace (yes, two!), or enjoy a beverage at the striking stone wet bar. Or relax out on the lake, taking advantage of the neighborhood trail or 3 public boat access points within 2 miles!
