4 Bedrooms . 3 Bathrooms . 3,100 Sqft

What I love most about my home is.....everything and I mean everything. That is what you will be telling your family & friends before and after your move into this 4 bedroom, 3.5 bath, 3,100 square foot home located in Soddy-Daisy. The moment you walk in you will be planning where you are going to put the furniture and who gets what bedroom. From the front door all the way to the covered deck you will be impressed with all the attention that was paid to the details of this home.
