If you are looking for a newer home with gorgeous finishes, an open floor plan, finished basement with a 2nd kitchen, great storage, 2 car garage, screened in porch, built-in grill and level back yard in a super convenient North Chattanooga location, then this could be the home that you have been waiting for! You will love all of the improvements that the sellers have made especially the recently finished basement, the new mud room and screened porch, the new retaining wall with built-in covered gas grill, and the level back yard as the result of bringing in extensive fill/dirt. The home exudes curb appeal and has a New Orleans vibe with its covered front porch and side porte cochere leading to the rear detached garage and parking area. The foyer opens to the formal living room with a gasfireplace and formal dining room on the left with French doors to the study on the right and a convenient powder room in a side hallway. The heart of this home is kitchen, breakfast room and great room which all are all open to one another and make the perfect spot to gather and relax. The kitchen has granite countertops and tile backsplash, under cabinet lighting, a center island with overhead pot rack, upscale appliances and pantry in the side hallway by the powder room. The breakfast room has a sliding glass door to th...
