If you are looking for a lovely property with panoramic views- whether it is for your primary residence, a weekend retreat, or even an investment property, then you need to take a look at this 3 bedroom, 2 bath home situated on a 1.4 +/- acre lot on Lookout Mountain, Ga's western brow just a short distance from the hang gliding flight park and about 10 minutes from the Lookout Mountain city limits. Unlike a lot of brow properties, this one has a large side yard for kids and pets, as well as a lookout point in back for those desiring a closer look at the amazing view. The interior features an open living plan with an eat-in kitchen that has newer stainless appliances, a breakfast bar room for a small breakfast table and a bar area with built-in wine glass holder and cabinet storage. The great room has a corner wood burning stove with stone surround, great natural lighting and access to the rear deck overlooking the brow. There are 2 bedrooms on the main level and a full guest hall bath. The master suite is upstairs and is large enough for a sitting area and has access to attic storage, a walk-in closet and the master bath with a regular vanity, a separate make-up vanity, soaking tub, walk-in shower and a dry sauna for those days when extra relaxation is in order. A laundry closet in the hall and an office with built-in desk space round out...
