\$ 329,900

4 Bedrooms . 2 Bathrooms . 2,600 Sqft

Immaculately maintained home inside and outside. Lovely living room open to dining room with plantation shutters. Den has pretty pegged hardwood floors, and a fireplace for those cold winter days. There is a breakfast room adjacent to a beautiful sunroom overlooking the spacious landscaped back yard. Upstairs there are 3 nice bedrooms plus a master with it's own bath, the shower was recently remodeled with tile and glass enclosure. A lovely home with a wonderful yard for everyone to enjoy.
