Upon entry to the home, you will find hardwood floors, arched doorways, wonderful natural lighting, a finished daylight basement, traditional floor plan, and updated kitchen and baths - essentially the best of the old and the new! The main level has a foyer with a powder room, a living room with a fireplace that has new gas logs and boasts the original solid marble mantel, as well as access to the covered rear patio, a formal dining room with a wall of windows to take in the view and a pass through window/counter to the kitchen - great when entertaining or it could also be used as...
