Located on a lushly landscaped lot just behind the 14th hole of the Champions Golf Course in the exclusive gated community of Hampton on the Lake in Ooltewah, this could very well be the perfect house for a discerning buyer looking for a fantastic floor plan, custom finishes and upgrades, the master on the main, a partially finished basement with room to expand, amazing outdoor living spaces, and a 3 car garage. Immaculately maintained, this home boasts a lovely decor and every amenity you can think of plus some. You enter the house through the double door entry into the 2 story foyer with a formal dining room on your right that has an adjoining butler's pantry that also leads to the mudroom and kitchen area. A large office with a vaulted ceiling is directly to your right with a convenient powder room nearby. The great room is also 2 stories and opens to the kitchen and breakfast area and has a double sided gas fireplace to the sunroom. Both the sunroom and the breakfast areas have French doors to the deck which overlooks the back yard with mature landscaping that provides a sense of privacy. The kitchen is absolutely gorgeous with coffered ceiling, decorative chandeliers, granite countertops and tile backsplash, custom cabinetry with soft-close drawers and under-cabinet lighting, an oversized island...
