Directions: Take Scenic Hwy and go 4 miles past Covenant College, turn right on Brow Lake Road across from convenience store, home will be on the left.

This Brow Lake home has some of the most stunning pastoral and peaceful views in Chattanooga. Enjoy membership in the Brow Lake Community with ownership in 25 acres including a lake. This home sits on one acre of property. The main floor has an inviting entrance that flows into the living room and separate dining room. The kitchen opens to a sitting area with lovely views and into the family room. The family room has a wood burning fireplace and French doors leading to a large deck. The deck has a 2-year old retractable awning so it can be enjoyed year round. There is also a covered deck with a hot tub (negotiable). The backyard is terraced and has a yard. The front yard has mature plantings and highlights the driveway up to the home. Upstairs are three bedrooms all with their own bath. The master bedroom is large with a sitting area and gorgeous views into the valley. A second set of stairs leads from kitchen to office or playroom over the garage. This room has all paneled walls and has lots of storage. The laundry room is off the kitchen and right off of the two car garage. Other
