New Construction! Photo 1 is similar to what the home will look like when complete. Photo 2 is what stage the home is as of 7/11. Welcome to the community of Eagle Bluff Wood. Eagle Bluff Woods is the newest phase in the Eagle Bluff community. The community offers spectacular views and each home has at least 3 sides with brick exteriors and is only made with maintenance-free materials. When completed you will be greeted with 4 bedrooms, 3.5 baths, 3,250 square foot home with a full unfinished walkout basement. Now that is a lot of home. The home will feature gleaming hardwood floors, wainscoting, custom cabinets, gorgeous trim, designer paint colors, specialty ceilings, walk-in pantry, and the master on the main level. The home won't have a deck it will have 2 decks now how many people have 2 decks? You will truly be impressed with the home at 5946 Eaglemont Dr. This home won't last long considering the location, the size of the home, the walkout basement and of course how beautiful it will be when it is completed.
