Sellers are motivated, as they are under contract on a home in Atlanta Quintessential North Chatt Bungalow with great upgrades! The current owners added a second full bath and laundry room, on top of the new kitchen and main bath which was new when they moved in. The unfinished basement is spacious for all of your storage totes and the driveway allows for plenty of off street parking. Besides the parks and eateries, your family will get to know your mail carrier and the pharmacist at the CVS. Discover Chattanooga's original walkable neighborhood. Cellar is 757 sq ft.
