This is a lovely cape cod style home built by John Rankin. Enter to the right is a living room with lots of room to entertain, to the left of the entry is an office or study, going straight ahead from entry is family den, fireplace with gas logs, that opens into a very large room that extends the den and has large dining area plus sitting area, many windows that overlook the pretty landscaped yard. There is a patio for entertaining as well. The kitchen opens to the den and has an opening into the large room on the back. There is a nice sized bedroom on the main level and a full bath. Upstairs there is a bedroom with a bath which can be the master and 2 other bedrooms and full bath in the hall. Hardwood floors are in the den, large room on the back, bedrooms upstairs and down. There is a partial basement to use as storage and laundry room. This home is located on a cul de sac so not much traffic and it is within walking distance of Thrasher School! The home has been immaculately maintained and a very pretty home in wonderful neighborhood!
