Welcome to 6257 Stone River located in the subdivision of Lake Breeze in Harrison TN. What a darling home this is. When you look at the photos you are going to say to yourself "is this home is as nice as it looks in the photos" and I can say without a doubt you will not be disappointed when you see this home. The attention to detail in this home is so evident. The kitchen cabinets have slide-out drawers and on each side of the microwave are pull out spice racks, it's little things like this that just put a smile on your face. The wood beams in the kitchen/dining area just bring so much warmth and charm to the home.
