Woodbury is a brand new development set just off Highway 58 in the Ooltewah School District near Harrison Bay. In this soon-to-be sidewalk lined and mailbox lighted community, this 3 bedroom, 2 bath home comes with an abundance of finishes that make this much more than a "house." The Great Room separates the two main level bedrooms (on one side) and the kitchen with butler's pantry leading to the Dining Room (on the other). The third bedroom (Master) is tucked in the back of the house for extra privacy. The wood floors on the main level are accentuated by beautiful wood trims and finishes throughout. The covered porch on the back will afford you a private view of the woodlands that encompass this development.

An attached two car garage with "bonus space" make this home feel much larger than it looks by simply reading the stats. Don't tarry with your inquiry. Call your realtor and come see it soon.
