Truly a great home on a cul-de-sac. New windows, new solid surface flooring, new electric extra large insulated garage door, new back deck, new front porch, fresh paint inside and out, and new roof 2013. Along with these new items, this sparkling clean and move-in ready, 3 bedroom, 2 bath, with a bonus room home, offers a fenced back yard including a terrific tree house outside and inside a fabulous front-load washer and dryer in a huge laundry/mud room. It's a must see where you will discover it's a must purchase.
