Welcome home to 4860 Lone Hill Road! Located near Hwy 153 and just minutes to the lake, 4860 Lone Hill Road is a rare one-level, 3 bedroom and 2 1/2 bath home. Upon entering, you will be struck by the soaring ceilings & double-sided fireplace. The spacious layout of the home is made for entertaining, showcasing a floor plan that is open, but with comfortable corners for conversation. The kitchen has updated stainless appliances, including a double oven and down-draft cook surface. After cooking, you can eat in your formal dining room or the eat-in kitchen - right in front of the fireplace. The private master suite has a large bedroom with dual closets, dual vanities and a separate shower and tub. There is a office or nursery conveniently located near the master suite as well. The additional bedrooms, located on the other side of the home, are oversized with plenty of closet space. You can enjoy sitting out on your tiled, screened-in porch, overlooking your 1.3 acres of land. The one-level home will not last long! Call today for your private showing.
