4 Bedrooms . 3 Bathrooms . 4,064 Sqft

4 bedroom, 3.5 bath gorgeous mountain home, picturesquely situated on over an acre lot with quality finishes, such as hardwoods and tile throughout and an absolutely fantastic floor plan, including the master suite, plus 2 additional bedrooms on the main level, a finished daylight basement, amazing outdoor living spaces and storage galore. The double door entry opens to a formal dining room and a dramatic great room with a gas fireplace, access to the kitchen and French doors to the vaulted covered deck with adjoining dining, grilling and sunning areas, providing a wonderful flow for indoor to outdoor entertaining. The kitchen is open to the breakfast area and has a center island, granite countertops, custom cabinetry with pull-out drawers, a built-in spice cabinet, walk-in pantry, electric cook top and double wall ovens. The master suite has a lovely master bath with regular and make-up vanity, a jetted tub, separate shower with tile and glass surround and a large walk-in closet. There are 2 additional bedrooms on the opposite side of the house which are connected via a shared bath, and a powder room, the laundry room and double garage round out this level. The daylight basement is versatile and has a large central family room with another fireplace, a refreshment center and access to the covered patio, an...
