OPEN HOUSE ON SUNDAY, JANUARY 26TH, FROM 2-4 PM.

Southern comfort and charm has never been more inviting than from the covered front porch of this two-story home with "Texas-sized bedrooms" and situated approximately 0.63 +/- acres in a cul-de-sac. As soon as you enter the two-story foyer, it feels like home. This home has been well maintained and it boasts an open plan with five bedrooms, a bonus room, great storage throughout, and it has been mostly updated and neutrally decorated with fresh paint in most rooms. Floor to ceiling windows fill the oversized den allowing an abundance of natural lighting, and it has hardwood flooring, built-in bookcases, and a stacked stone fireplace. There is a glass door that will lead you to the large covered porch surrounded by the private and wooded fenced backyard. Adding to the outdoor entertaining is a fire pit area. The formal dining room has hardwood flooring as well as the formal living/office with glass doors. The updated kitchen features black stainless appliances, quartz counters, subway tile backsplash, Kohler farmhouse sink, walk-in pantry, and it overlooks the huge backyard. The main-level master suite has hardwood flooring and two walk-in closets. Finishing up the main level is the large laundry
