Welcome to Highland Park and this historic home built in 1928 with the architectural character that can't be found with new construction. This home has been meticulously restored and is a mixture of original finishes with many modern updates. Large open front porch leads to Large Living/family room, Kitchen has all new Whirlpool stainless steel appliances, new cabinets, granite counter tops, and custom made island/gathering table. Contractor has retained/refurbished 100 year old trim throughout the home. 9' Ceilings throughout Home. Large master bedroom upstairs has new bath with double vanity and large walk-in shower, and large closet and it has beautiful view looking toward downtown and of all 3 Mountains. Home has been completely re wired, re plumbed from the street, new heat and air systems (Look at renovation list under documents). There are 2 bedrooms on main level and one would make an excellent office or art studio with the windows and light exposure. Owner Agent.
