This exceptional one owner home has been beautifully maintained and upgraded. There's 3 bedrooms on the main level. The great room is very open and spacious. There's a huge bonus room. The stainless appliances are all staying. The refrigerator is a custom size so it matches the countertop depth. There's been thousands spent on custom lighting fixtures. The screened porch leads out to a very manageable partially fenced in backyard. The exterior is brick, stone or vinyl siding so you won't spend much time maintaining it
