Great opportunity to own this lovely home in the heart of East Brainerd with easy access to I75. This New Construction home in Dogwood Gardens to be complete in February is privately tucked away on a single entrance street with a cul-de-sac. The home offers great finishes such as sanded hardwoods, gorgeous tile, quartz countertops throughout, and white shaker style cabinetry. ***The floor plan of the home is fabulous and open with abundant natural light. It has a wonderful Owner's suite on the main level with a spa-like bath with a gorgeous tiled shower with a frameless glass enclosure, double vanities, rectangle sinks, and a huge walk in closet. ***The great room, dining room, and breakfast area are all open and so conducive to entertaining. There is a tiled fireplace and large windows overlooking the deck and private back yard. The kitchen has tons of beautiful white cabinets and quartz counter tops. ***The second level of the home has a fabulous central bonus space with a large closet that is flanked by two large bedrooms and two full baths. The bathrooms on the second level also have the latest in tile selections and ample white shaker style cabinetry. ***You will love the daylight walk out basement that offers endless opportunities for this home. ***Professional photos coming soon as...
