SPECTACULAR CURB APPEAL! Built in 2006, this home blends in perfectly with the 20's and 30's era and charm of Dallas Heights with gas lamplights and manicured lawn. Ample square footage ensures everyone has plenty of space. Light filled vaulted ceiling draws attention to the heart of the home featuring a truly custom kitchen with top-of-the-line appliances and oversized island large enough for plenty of family seating. Fluted column-like room dividers are hints of what to expect with substantial woodwork trim and gorgeous hardwood flooring. The master bedroom is spacious and boasts a spa bathroom with travertine floors and separate walk-in shower. The rest of the family can hang out in any of the 3 extra bedrooms upstairs (one with an en suite) and a media room, perfect for family night
