Want it all? This one has it! Really close in and convenient to all shopping, hospital, interstate and golf. Yet it sits on a quiet cul de sac street with sidewalks and street lamps. Open plan with cathedral ceiling, wonderful owners suite, screened porch, double garage and screened porch. The screened porch offers the most magical view of the large pond and wildlife that visit. Mostly the geese. Why settle for a boring condo or townhome with only a view of the neighbors garage or a parking lot? Don't! Schedule a viewing of 1011 Dodie Drive and see the better alternative.
