This adorable One story home that sits on 4.54 Acres is ready for you to move into. Cute home with lots of space and hardwood flooring through most of it. The master bedroom is a large size with a large walk in closet and comes with a large master bathroom. The property has 3 barns two are in pretty good shape and one would probably need to fixed up. There are not many homes available on this street with this much acreage. You can have horses here if you want. Come check this home out now.
