Welcome home to a place where you will enjoy social distancing!! The neighborhood has beautiful views of the lake for you to take in while you go on walks or you can relax in the back yard in your pool during the day and by your fire pit in the evening. When you walk inside you are welcomed with an open floor plan with the dining room, vaulted living room with gas fireplace, and kitchen flow nicely, making entertaining a breeze! The eat-in kitchen boasts newly painted cabinets and stainless steel appliances. The main-level master bedroom has an en suite with a soaking tub, two sinks, a water closet, and a walk-in closet! The split bedroom design makes it so that the two additional main-level bedrooms and full bath are tucked away! Finishing up the main level is the laundry room with storage! Upstairs is a spacious bedroom, full bath with tub/shower combo, and a large bonus room with access to attic storage! This home is truly one you won't want to miss! The dining room curtains do not convey with the home. The buyer is responsible to do their due diligence to verify that all information is correct, accurate, and for obtaining any and all restrictions for the property. The number of bedrooms listed above complies with local appraisal standards only.
