Beautiful North Chattanooga home! This floor plan works for so many different scenarios! The main level is gorgeous and great for entertaining. Amenities include granite counter tops, jetted tub, tile shower, his and her walk-in closets, pull down bed, and a large deck. Recent kitchen remodel. Brand new main level HVAC. Tons of storage. Downstairs could be an awesome mother-in-law suite with a full kitchen, deck, and lots of amenities. It could be used for large family gatherings, or rented as a separate apartment. Upstairs is a great bonus area including a full bath. This is a large 6 bedroom, 5 bath North Chattanooga home in mint condition with too many amenities to list. You owe it to yourself to see this one.
