Welcome to 14 Lost Creek Dr in picturesque Spring Meadows. This home has two strong features, its interior and exterior. Step into the entry to get a good view of the best in single level living. It starts with the inviting great room, complete with fireplace and unobstructed view of the kitchen. (With its loads of cabinets, and pantry) It's the perfect setup for entertaining. That way the person doing the cooking can still be in on the action. Down the hall is the roomy master bedroom and master bath. It's fresh and filled with light. But it is not alone. Adjacent are two additional bedrooms and a full bath. All offer updated nickel fixtures and well as ceiling fans. Get to it all from the two car garage. Rain or shine, you'll stay dry. Call today. It will go fast!
