This 1-level Contemporary Craftsman has been completely renovated inside and out. It's like a brand new house, professionally landscaped on a great street in Hurricane Creek with low county-only taxes and zoned for desirable Westview and East Hamilton schools! Some of the many great features include master on main, split floor plan, open concept, gourmet kitchen and a screened in porch with separate custom-built grilling deck with tons of privacy and views of a park-like setting. Beneath the one-of-a-kind, hand crafted spiral stairway is an amazing turnkey home theater designed to provide an authentic cinematic experience. Everything you see when you walk in the theater is included - projector, screen, sound system, integrated theater seating, cinema lighting & stunning cinema-themed art. Buyer is responsible to do their due diligence to verify that all information is correct, accurate and for obtaining any and all restrictions for the property.
