You'll fall in love with this amazing jewel located in the heart of the North Shore. This pristine, 2 bedroom/2 bath with office, has custom upgrades, incredible views, private location and much more. The open kitchen has a custom, white, Taj Mahal Brazilian quartzite countertop, a new, deep, stainless sink and a new, high-neck faucet. The second bath houses a stackable, Whirlpool washer/dryer duet, a newly designed shower door, porcelain flooring that resembles hardwood and is easily maintained. When you tour this home, take note of the large, picture windows that are outfitted with custom, cordless blinds, the stylish lighting throughout, especially the remote-controlled sconces in the master bedroom, and the top-grade carpet, special-ordered from California, sitting atop the highest quality padding available. The master ensuite has a one-of-a-kind concrete countertop and it always looks great. Get lost in the spa-like bath with it's new soaking tub, frameless glass, bi-swinging shower door, marble flooring and a bidet seat. Spend your days enjoying the North Shore, supporting local businesses, all within walking distance. Not only can you enjoy sipping coffee on your private balcony in the mornings, but you can also enjoy evenings watching the downtown lights come to life, including The Tennessee...
